Aadhar Scan
(Same as for Passport similar fields are filled)

A wireframe of a mobile phone screen showing an 'Aadhar Scan' interface. The screen is divided into a 3x3 grid of squares. The center square is labeled 'Aadhar Card'. The bottom square is labeled 'PHOTO'. The top square is empty. The phone's status bar at the top shows a signal strength indicator, a battery level indicator, and a time indicator. The home button is visible at the bottom.

Note: Aadhar Card, Passport, Driving License, Voter's Id Card fields filled are the same. Customer has to select
