★★★★★

This is absolutely the most beautiful venue in New Delhi, & that's saying something. It is a 2 story home in the old Garden District, & has a beautiful side yard. The original plan was to have the wedding outside & the reception inside, but the weather caused everything to be indoors. It was perfect. The house is in immaculate condition. Beautiful colors on the walls, elegant molding throughout, ceilings decorated - the room where the wedding was is painted like the sky, with clouds & birds. Words can't do it justice. Guests said they felt they were transported in time. The bride & bridesmaids got dressed upstairs in the master bedroom, complete with full length floor mirror & beautiful antiques. Amazingly, the rental price was reasonable; we were amazed we could have this on our very tight budget. Our deposit was returned in full in less than 3 weeks after the wedding. Jamie Lopez, the caretaker who lives on the property, was the most generous host. He said this was our house for the day, & took care of every request quickly & in such a personal manner. Thank you for this. This venue is what really set the tone for my daughter's very personal wedding.

★★★★★

This is absolutely the most beautiful venue in New Delhi, & that's saying something. It a 2 story home in the old Garden District, & has a beautiful side yard. The original plan was to have the wedding outside & the reception inside, but the weather caused everything to be indoors. It was perfect. The house is in immaculate condition, beautiful colors on the walls, elegant furniture, fresh flowers, ceiling fans, & A/C. The photos of the wedding was a painted like the sky, with clouds & birds. Words can't do it justice. Guests said they felt they were transported in time. The bride & bridesmaids got dressed upstairs in the master bedroom, complete with full length floor mirror & beautiful antiques. Amazingly, the rental price was reasonable; we were amazed we could have this on our very tight budget. Our deposit was returned in full in less than 3 weeks after the wedding. Jamie Lopez, the caretaker who lives on the property, was the most generous host. He said this was our house for the day, & took care of every request quickly & in such a personal manner. Thank you for this. This venue is what really set the tone for my daughter's very personal wedding.
